

JOSEPH DIXON.

JULY 21, 1842.

Read, and laid upon the table.

Mr. BAKER, from the Committee on Invalid Pensions, submitted the following

REPORT:

*The Committee on Invalid Pensions to whom was referred the petition of Joseph Dixon, report:*

The petitioner represents that he is now in the receipt of an invalid pension of twenty dollars per month, for a wound received by him in the battle of Badaxe; and that he did not receive the same for more than eighteen months after he was entitled to it; and he asks for extension of his pension back to the time of the reception of his wound.

No testimony whatever accompanies the petition; and the committee therefore recommend that the prayer of the petition be rejected.
